

i2c-pca-isa..txt

Kernel driver i2c-pca-isa

Supported adapters:

This driver supports ISA boards using the Philips PCA 9564
Parallel bus to I2C bus controller

Author: Ian Campbell <icampbell@arcom.com>, Arcom Control Systems

Module Parameters

- * base int
 I/O base address
- * irq int
 IRQ interrupt
- * clock int
 Clock rate as described in table 1 of PCA9564 datasheet

Description

This driver supports ISA boards using the Philips PCA 9564
Parallel bus to I2C bus controller
